

Campaign to hunt some of the UK's most wanted fraudsters

We are continuing our focus on fraud with the launch of our national Most Wanted Fraudsters campaign on 2 August.

The top ten on our Most Wanted Fraudsters list are believed to be responsible for at least £200 million worth of fraud. The campaign has seen early success, with four arrests made in under a month.

Recent disorder in England

During the recent disorder our contact bureau was inundated with information about those involved. Our call agents worked around the clock to ensure the demand was met, during which time the bureau saw a 300 per cent increase in online forms submitted.
