

# The Carolyn Randall Volunteer of the Year Award

## Anna Letts, Northamptonshire Committee

*“Anna always makes the time to attend any events that the charity is involved in whether it be Crimestoppers or Fearless and is a massive support to both the Regional Manager and Chair”.*

### Overview

Since joining the Committee, whilst employed by Northampton FC's Kicks initiative to her current educational consultancy, Anna continues to dedicate her time talking about and educating professionals and young people about Fearless and its resources. Helping and guiding professionals incorporate Fearless into their own workshops and educating young people about crime types and how to report crime. Anna's network is vast and she never misses an opportunity to bring new agencies into Crimestoppers or Fearless's orbit. A terrific boon every year for the charity.

### Judges' comments

The judges were greatly impressed by the unremitting commitment of Anna in ensuring the widest possible range of professionals working with young people throughout Northamptonshire are aware and utilise Fearless materials. Her passion and dedication to Crimestoppers over many years was also applauded hugely. A very worthy winner indeed.
